#### MUSINGS

In reflection, fasting and prayer, each of us deep down should ask ourselves, 'is this really the world I desire?' Is this really the world we all carry in our hearts? Is the world that we want really a world of harmony and peace, in ourselves, in our relations with others, in families, in cities, in and between nations? And does not true freedom mean choosing ways in this world that lead to the good of all and guided by love? (*Pope Francis, Embracing the Way of Jesus*)

#### SEEING YOUR LIFE THROUGH THE LENS OF THE GOSPEL - Luke:4:1-13

1) The temptations were a step for Jesus in his growing understanding of his mission and of his relationship with his Father. Can you look back at some painful experiences and acknowledge that you have grown through them, both in your knowledge of yourself, and in your relationship with others and with God? Give thanks for the guidance of the Spirit of God in these times. 2) Behind each of the specific temptations is a basic temptation to lose trust in God. Jesus resisted this because he recognised his complete dependence on his Father. How have you come to recognise your life and the whole world as gifts from God? 3) One can enter into each of the temptations singly. There may be ones that you have experienced: a. the temptation to give priority to bodily needs and satisfactions b. the temptation to power c. the temptation to seek to be the centre of attention. How have you grown through wrestling with these temptations?

### CHILDREN'S CORNER - Learning about the Mass

**GLORIA:** The Gloria is a very old prayer of praise and thanksgiving. The first few lines will sound familiar because it was the song sung by the angels when Jesus was born in Bethlehem. We do not pray the Gloria during the seasons of Advent and Lent.

**OPENING PRAYER:** After the Gloria the priest will invite us to pray. The prayer begins in silence. This gives us time to talk to God in our hearts. We might want to thank God for something good that has happened or we might want to ask God to take care of something that we are worried about. Then the priest takes all our prayers and offers them to God. The words of the Opening Prayer differ from Sunday to Sunday and reflect the theme of the Mass. We respond by saying 'Amen'. Amen means that we believe that whatever God does is OK with us.
