EASTER BLESSING

Fr. Michael, Fr. Pat and Deacon Martin wish all a very happy and blessed Easter and pray that the Risen Christ continues to sustain and strengthen everyone in these difficult times.

AN EASTER PRAYER - (Intercom)

Living Lord, when we stand before the empty tomb we don't always feel the joy of resurrection. We feel fear, doubt and distrust. Our lives at times feel empty. Help us to welcome new life. Fill the emptiness with new light. Call us to abundant new life. Guide us in the light of your love. Amen.

EASTER SUNDAY - (Intercom)

The disciples are in a state of shock and suffering from a traumatic loss. Jesus, the one in whom they had placed so much hope, has been murdered and buried. Then, before they have time to recover comes another shock - the body of Jesus is missing. In the past year, we have had shock after shock during the coronavirus crisis. What was that like for you? How did you cope? What, or who, sustained you then? 2. Mary and Peter, and possibly others, came and discovered that the tomb was empty. The part of the story we have in this text gives no explanations of what has happened. They are left in a state of bewilderment 'for as yet they did not understand the Scripture, that he must rise from the dead'. Have you been in that kind of a situation, faced with events you cannot explain, possibly events which have dashed your hopes in another person, or in God? What has that been like for you? 3. Yet in spite of the lack of explanation, the beloved disciple 'saw and believed'. Have there been times when others have done something that you could not understand, and which they could not explain at the time and yet you believed that all was not as it seemed?... times when you decided to trust in spite of the evidence? Have there been times when others have shown this kind of faith in you when you were not able to offer satisfactory explanations, and all you could say was 'trust me'? Have there been times in your relationship with God when you have felt that you were faced with an empty tomb and still you believed? Where have you found life in such experiences?

FAMILY PRAYER TIME (Loyola Press)

In the Easter Gospel we hear about how the disciples found the tomb empty three days after Jesus' death. We are also told that they do not yet understand the Scriptures or that Jesus had been raised from the dead. That understanding gradually unfolded for the disciples as they began to experience the risen Lord. Similarly, our understanding of Jesus' Resurrection unfolds for us throughout our lives. In the weeks ahead, we will hear how the first disciples moved from confusion, doubt and skepticism, to faith. Their experience can teach us how we, too, might receive this gift of faith from God. Gather your family members and ask them to share what they know about the events that happened in the days after Jesus' crucifixion. Invite your family to imagine that they are among Jesus' first disciples. Read together today's Gospel, John 10:1-9. Reflect together on the Gospel with questions such as these: If you had been among the first disciples who heard that the stone had been removed from Jesus' tomb and that Jesus' body was no longer there, what would you think? What did Mary of Magdala, Simon Peter, and the disciple whom Jesus loved think had happened? Recall that this experience is the first indication Jesus' disciples have that he is risen. Throughout the Easter season, we will learn more about how the disciples came to believe that Jesus had been raised from the dead. Pray together using today's psalm, Psalm 118. 'This is the day the Lord has made; let us rejoice and be glad'.
