## **ORDINARY TIME**

Advent/Christmas Time and Lent/ Easter Time highlight the central mysteries of the Paschal Mystery, namely, the incarnation, death on the cross, resurrection, and ascension of Jesus Christ, and the descent of the Holy Spirit at Pentecost. The Sundays and weeks of Ordinary Time after the Baptism of the Lord and Pentecost, on the other hand, take us through the life of Christ. This is the time of conversion. This is living the life of Christ. Ordinary Time is a time for growth and maturation, a time in which the mystery of Christ is called to penetrate ever more deeply into history until all things are finally caught up in Christ. The goal, toward which all of history is directed, is represented by the final Sunday in Ordinary Time, the Solemnity of Our Lord Jesus Christ, King of the Universe.

## CHILDREN'S CORNER (Loyola Press)

Today the Christmas season ends. Our Scripture for today takes us beyond the childhood of Jesus to his baptism by John the Baptist. Why do you think it is important that Jesus was baptized by John? (by accepting baptism, Jesus showed himself to be united with all sinners.) What happened after Jesus' baptism? (The heavens opened, the Spirit of God descended upon Jesus, and a voice from heaven spoke.) When Jesus accepted baptism by John, God showed that he was pleased, and a voice announced that Jesus was God's own Son. When we were baptized in Jesus' name, our sins were forgiven and we received the Holy Spirit and were made children of God. After Jesus' baptism, he began his public ministry. After our Baptism, we are to live the life of a Christian by loving God and all people as Jesus did. What are some of the things that we are called to do as baptized Christians? Conclude by praying that we will always be faithful to our baptismal promises to be disciples of Jesus. Commit again to the promises made at Baptism by blessing yourself with the holy water. Pray the Lord's Prayer.

## FAMILY PRAYER TIME (Loyola Press)

At Jesus' baptism, God affirms his Son's mission for salvation. God announces his pleasure with Jesus and, in Matthew's Gospel, announces to all that, "This is my beloved Son" (Matthew 3:17). With this affirmation, Jesus is able to resist the temptations described next in Matthew's Gospel and to begin his public ministry. As family members, we can support one another in our Christian living by affirming the importance of each person in our eyes and in God's. Confident that through our Baptism we too were made children of God, we can resist temptation and share in Christ's mission.

Gather as a family to read today's Gospel, Matthew 3:13-17. Recall that God's message about Jesus was meant for us, "This is my beloved Son." It was also an affirmation for Jesus about his role in God's plan.

Place each family member's name on a slip of paper and put the names in a bowl. Invite each person in the family to choose another family member's name and to prepare a message for that person, affirming their importance in God's eyes and in your family life. Pray together that your family will continue to support one another in your baptismal promises to be disciples of Jesus and then invite each person to read aloud the message they prepared. Conclude by praying together the Lord's Prayer.

## SEEING YOUR LIFE THROUGH THE LENS OF THE GOSPEL (Loyola Press)

The Baptism of Jesus marks a turning point in his life, and the start of his public ministry. Recall moments when your life changed and you moved into a new phase.

The experience was one in which Jesus had a new sense of his own identity. What have been the experiences which have helped shaped your sense of who you are?

How have you come to an awareness of being a child of God, beloved by God and one whom rests the grace of God?

It is surprising that Jesus, the Saviour of the world, asks to be baptised by John. The request symbolises his desire to identify with us.

At the same time he is filled with the Holy Spirit. That step of identifying with us is an important element in his being able to help us.

Have you ever found that when someone identifies with you, it is easier for him/her to help you? Has your ability to empathise with others had an impact on your effectiveness in helping them?
